

Get help with expenses health insurance doesn't cover

AFLAC for Fronteer Professional Services!

Like many Americans, you may have been blindsided by an unexpected medical bill. Did you think, "But I have health insurance. I should be covered?" That's why there's Aflac. We help with benefits health insurance doesn't provide – and that's peace of mind when you need it most. Let us help protect your financial security.

Aflac supplemental benefits available to you through payroll deduction:

Short-Term Disability: How would you pay your bills if you're disabled and can't work? An Aflac short-term disability insurance policy can help provide you with a source of income while you concentrate on getting better. Maternity benefits included!

Accident: Accidents happen. When a covered accident happens to you, our accident insurance policy pays you, unless assigned otherwise cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Cancer/Specified-Disease: Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

Critical Illness (Specified Health Event): An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Hospital Confinement Indemnity: Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays.
